

Press release

Intersec in the Deloitte Technology Fast 500 EMEA 2014

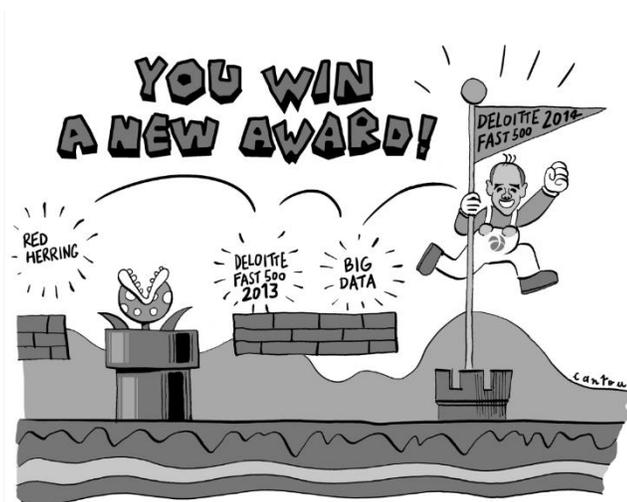

Paris, France, 02/12/2014 – Today, Intersec (<https://www.intersec.com/en/>), the leading provider of solutions enabling mobile operators to capture and monetize their network value through Big Data collection, announced that it ranked #332 on the Deloitte Technology Fast 500 EMEA 2014. This yearly ranking recognizes the 500 fastest growing technology companies in EMEA, based on percentage revenue growth over five years.

Intersec has experienced hyper growth in the last five years (+491%) based on its ability to enter new markets and to offer award-winning products that efficiently implement an operator's loyalty & retention, value creation and cost optimization strategies.

Its solutions have been adopted by some of the world's leading operators like Telefonica, MTS, Etisalat and Orange. With 42% of staff dedicated to R&D, Intersec designs products addressing and surpassing the needs of its large telecom customers.

Intersec's CCO, Gary Buchwald comments: "We are very honored by this prestigious ranking and we feel privileged to be named on the Deloitte's Technology Fast 500. We owe it to both our amazing staff and to our customers. We are turning 10 years old in a few days and the company is on the tracks for another decade of growth and success."

"Achieving such high sustained revenue growth of 491% over five years is a tremendous achievement. It is a delight to honour Intersec for this by naming them in the Deloitte Technology Fast 500" said David Halstead, Deloitte UK and partner in charge of the Deloitte Technology Fast 500 EMEA programme.

About Intersec

Intersec designs solutions that enable mobile operators to capture and monetize their network value through Big Data collection. Operators can then create new and innovative services. Intersec integrates its leading core network solutions for operators to generate location intelligence revenue and to maximize customer value management, contextual engagement and leverage Big Data analytics to make fact-based decisions that result in better business effectiveness. Our award-winning products are designed to efficiently implement loyalty & retention, value creation and cost optimization strategies for CSPs. Acclaimed by 70+ MNOs, Intersec technology enhances the experience of several hundred million subscribers worldwide and manages over a billion smart events day after day.

About Deloitte Technology Fast 500™ EMEA

The Deloitte Technology Fast 500 EMEA programme is the region's most objective industry-ranking to focus on the technology field, recognising technology companies that have achieved the fastest rates of revenue growth in Europe, the Middle East, and Africa (EMEA) during the past five years. Combining technological innovation, entrepreneurship and rapid growth, Fast 500 companies – large, small, public and private – span a variety of industry sectors, and are leaders in hardware, software, telecom, semiconductors, internet, media, life sciences and emerging areas, such as clean technology.

The programme is supported by the Deloitte Technology Fast 50 initiatives, which rank high growth technology companies by location or specifically defined geographic area and is run by the Deloitte Touche Tohmatsu Limited's Technology, Media & Telecommunications (TMT) global industry group. Co-sponsors include **Fidelity Growth Partners Europe**, a venture and growth capital investor which backs entrepreneurs with aspiration for greatness in the IT and clean technology sectors across Europe, **Silicon Valley Bank**, the premier bank for technology, life science, private equity and premium wine businesses and **Taylor Wessing**, a leading International law firm with a focus on the industries of tomorrow. More information on the programme and prior year winners is available on www.deloitte.com/fast500emea.
