

Intersec ranks #10 in the top 100 of French SME overseas

Paris, France, July 23rd Intersec, the leader in telco Big Data software showcases in the French SME International Export Ranking which rewards the dynamism of French companies abroad. This ranking takes into account the turnover made overseas by 6 000 French companies ranging between 10 millions and 2 billion Euros.

In 2013, Intersec realized a double digit growth for the 5th year in a row with more than 97% of its revenue coming from overseas. In addition to ranking in “the French international SME overseas” the compagny has also been rewarded last year with the Deloitte Technology Fast 500 with 1462% of revenue growth over the past 5 years and the 23rd position on the Deloitte Technology Fast 50. Intersec expanded its presence abroad with the opening of three subsidiaries mid-year in Ivory Coast and a new hub for Asia Pacific in Singapore. Two new operations have been activated at the end of the year in Dubai and in the United States.

Yann Chevalier, CEO comments: «We are very proud to be in the top 10 and very pleased with our financial growth and geographic expansion. We are forecasting another storming year ahead with aggressive plans to reinforce our presence in North America, APAC, Middle East and beyond”.

About Intersec

Intersec designs solutions that enable mobile operators to capture and monetize their network value through Big Data collection. Operators can then create new and innovative services. Intersec integrates its leading core network solutions to generate location intelligence revenue and to maximize customer value management, contextual engagement, and messaging traffic profitability. Our award-winning products are designed to efficiently implement loyalty & retention, value creation and cost optimization strategies for CSPs. Acclaimed by 60+ MNOs, Intersec technology enhances the experience of several hundred million subscribers worldwide and manages over a billion smart events day after day.
